Dear Dr. Brown,

The Kansas Board of Regents, serving as the state portal entity for Kansas, has completed its review of Sterling College's renewal application for participation in the State Authorization Reciprocity Agreement (SARA) submitted November 30, 2018 and recommends approval of Sterling College for continued participation in SARA. On December 14, 2018, the National Council for State Authorization Reciprocity Agreements (NC-SARA) was officially notified of this recommendation.

Prior to operating under this agreement Sterling College must submit payment to NC-SARA utilizing the payment link your primary institution contact will receive via email from NC-SARA.

Payments are accepted by credit card or check. Institutions requiring a W-9 may find this at <http://nc-sara.org/files/docs/NC-SARA%20W9.pdf>. Those paying by check should make them payable to NC-SARA and mail to:

NC-SARA
3035 Center Green Drive, Ste 130
Boulder, CO 80301

Once payment is received, Sterling College will have officially renewed its annual SARA participation and will remain listed on the nc-sara.org site. The policies and standards associated with operating under this agreement are available at:

<http://nc-sara.org/content/sara-manual>

Unresolved student concerns regarding programs authorized through SARA may be directed to the state portal entity. Please include the following link to our SARA complaint procedure in your distance education complaint information.
